EMPLOYEE OF THE MONTH

JANUARY 2026

"Alyssa consistently goes above and beyond whenever she is at work. She clocks in, immediately gets on gloves, and starts hammering away at tasks lists. She communicates effectively with coworkers to get her things done in an orderly and effective manner. I have never witnessed her attempt to duck responsibilities or avoid any duties.

Alyssa also has a no-nonsense attitude and commands a very professional and positive image of what RVCP staff should look like. She is the epitome of what PSS staff should emulate. She addresses issues with clients firmly, respectfully, and without pulling any punches.

Alyssa is also very willing and helpful when it comes to filling in last-minute requests for call-offs and assisting us with coverage.

Alyssa Karl is a highly motivated employee who approaches her work with urgency, initiative, and pride. Her work ethic and proactive mindset make her well deserving of recognition."
